FOOD AND BEVERAGE MANAGER AT GREEN OAKS COUNTRY CLUB

Green Oaks Country Club has an immediate opening for an enthusiastic and dynamic individual to assume the position of Food and Beverage Manager at one of Pittsburgh's most esteemed golf establishments. In this hands-on role, the selected candidate will be tasked with developing and ensuring a high standard of appearance, hospitality, fare and service across all club food and beverage operations. Develops and implements processes and procedures. Ensures timeliness of food service. Supervises and trains dining/catering staff. Regularly acts as captain on the dining room floor and maintains a high level of member contact throughout service hours. Schedule would be designed according to business needs. The Club is closed most Mondays.

The ideal candidate will be detail oriented, have several years' experience in a member owned country club/fine dining establishment and able to develop a rapport with our employees and Members. One would be familiar with fine dining steps of service and able to train staff according to standards. An exceptional candidate will have a working knowledge of Jonas Club Management software and Microsoft Office suite. Several years' experience selling, negotiating, and executing banquet event orders. Proven track record of providing an excellent level of private club level service to members, their guests, and nonmember catering clientele while growing revenue and margins.

Position requires mobility and dexterity to bend, scoop, grasp, reach, twist, etc. One would be required to stand/walk during entire shift or incorporate all activities into their shift. One must have the ability to lift 50 pounds as well as the physical strength to pull equipment.

All staff members who work at The Club should be friendly and always greet members with a smile and address them by name. One should be accommodating and always go the extra mile to see that the needs of members are met and exceeded. No facial tattoos or piercings.
